We're also the publishers of Ubuntu, the world's most popular enterprise Linux from cloud to edge, together with a passionate global community of 200,000+ contributors.

Canonical has provided developers with open source since 2004, helping them build innovations such as public cloud, machine learning, robotics or blockchain. Marketing at Canonical means being at the forefront of technology adoption, for our customers and for our own martech stack. We're on the look out for a performance marketing manager to join our team and own our paid strategy.
