Company: Bricks

Location: Abu Dhabi

Category: management

Job Description Delivery of Maximo Automated Applications to internal Abu Dhabi Ports units in relation to business requirement and the agreed delivery plans. Provide support through the full cycle of software development from requirements gathering, solution designing, development, implementation, configuration, customization, reporting and conducting the end-user training. Ensure that all live applications are maintained as per the best practiced support procedures. **Disclaimer:** Drjobs.ae is only a platform that connects job seekers and employers. Applicants are advised to conduct their own independent research into the credentials of the prospective employer. We always make certain that our clients do not endorse any request for money payments, thus we advise against sharing any personal or bank-related information with any third party. If you suspect fraud or malpractice, please contact us via contact us page. Dr.Job is an online platform that connects employers with skilled job seekers, facilitating the search for job opportunities and top talent. Established in 2015. Dr.Job has emerged as the Gulf region's premier job portal, attracting thousands of job seekers every day from different countries like UAE, Saudi Arabia, Bahrain, Kuwait, Oman, and Qatar.
