Summary Reporting to MEA Logistics Manager, the MEA Customs and Trade Compliance Coordinator manages and monitors all Customs and Trade compliance activities for the region in coordination with Central Customs and Trade Compliance team. They ensure that customs flows, shipping documentation, and all products imported in the region correspond to local regulations and requirements. They work with regional brokers, forwarders and involved stakeholders to facilitate customs clearance in case of issues. As part of a global logistics and distribution supply chain, they ensure the application of the WW Customs and Compliance strategies and processes, in alignment with local flows, rules and regulations. Ability to work effectively as part of a team and effectively communicate and coordinate with Kering and its Brands' operational teams is essential.
