

## Mechanical Design Engineer | GHD Abu Dhabi

[Apply Now](#)

Company: GHD

Location: Abu Dhabi

Category: architecture-and-engineering

### Mechanical Design Engineer | GHD Abu Dhabi

GHD is a global network of multi-disciplinary professionals providing clients with integrated solutions through engineering, environmental, design and construction expertise. Our future-focused, innovative approaches connect and support communities around the world, resiliency and sustainability for generations to come.

Our Engineering team has a strong core team of highly experienced industry professionals who take a long-term approach to client management. Our unique market position and enviable reputation leads to strong trusted relationships and repeat business.

### Mechanical Design Engineer | GHD Abu Dhabi | Apply Now

**Educational Background:** A bachelor's or master's degree in mechanical engineering.

**Professional experience:** A minimum of 5 years of experience in Mechanical engineering, with a focus on designing hydraulic systems including drainage, water supply & firefighting for various applications and a Proven track record of successfully completed hydraulic engineering projects.

Proficiency in hydraulic modeling software and tools including Revit, Autocad & Elite softwares.

In-depth knowledge of fluid mechanics, pipe flow, pump selection, and hydraulic system design.

Familiarity with stormwater management, water distribution systems, and wastewater systems.

Knowledge of local and international codes and standards related to hydraulic engineering.

Experience ensuring projects comply with relevant regulations and permitting requirements.

Basic knowled of HVAC related works including HAP calculation.

Report writing expertise.

Commercially Aware: Demonstrates working knowledge of external forces impacting GHD; financial, market, economic, legal and regulatory environments and how GHD responds to them commercially.

Agile Learner: Actively learns through experimentation and experience and seeks ways to grow and to be challenged by new and novel conditions.

Client Centric: Anticipates and prioritizes client needs and takes action to provide high-quality client experience.

Enabler of Self and Others: Demonstrates trust by bringing the best of self, valuing others contributions, and engendering confidence and trust with others.

Don't miss out on this exciting opportunity – apply now at [dubaiofferz.com](http://dubaiofferz.com)
