### Mechanical Engineering Instructor | NYU Abu Dhabi

#### Description:

The Division of Engineering at New York University Abu Dhabi (NYUAD) invites applications for an academic support position as a Mechanical Engineering (ME) instructor with the rank open, depending on experience. Instructors support NYU Abu Dhabi's educational mission by assisting faculty with courses in Engineering. In particular, the instructor sought for this position is expected to have extensive knowledge in mechanical engineering courses such as Fluid Mechanics, Heat Transfer, Thermal Systems, Dynamics, Modeling of Dynamical Systems, etc. Instructors teach discussion sections, hold review sessions, provide assistance with the preparation, development, and assessment of courses, and take part in departmental activities. Participation in professional development opportunities such as attending conferences is expected and supported. Opportunities for professional development are available.

#### Job Requirements:

We encourage applicants with a Master's degree in mechanical engineering, or related fields. Individuals with a higher degree will also be considered.

An ideal applicant would be an excellent communicator both orally and in written English.
