Mechanical Technical Support Engineer Jobs In Ajman | Atlas Professionals

About the job

At Atlas Professionals, we believe that diversity drives progress and aim to build an inclusive organization. We are taking steps to create an environment for everyone and foster a culture that helps us stay at the frontier of energy, marine and renewables. If you're driven to perform, we are waiting to hear from you – irrespective of your age, religion, sexual orientation, colour, gender, ethnicity, or race – if you have the talent, you fit right in.

Requirement

Atlas Professionals is looking for a professional to work as Mechanical Technical Support Engineer with one of our clients. Please note this is a permanent onshore position in the United Arab Emirates.

#J-18808-Ljbffr
