Medical Representative, Respiratory | GSK Pharma Jobs in Dubai

Description:

As a Medical Representative – Respiratory, you will bring the marketing plan of action to life with key opinion leaders, key hospitals, and related allied health care professionals through uncovering and maximizing business opportunity to truly partner and innovate together.

Responsibilities:

Develop and implement strategic business plans for the therapeutic portfolio with targeted specialists, hospitals and allied health care professionals

Design and drive unique customer focused initiatives to build GSK advocacy and to drive incremental sales growth

Provide unmatched customer value for both external and internal customers

Requirements:

University Bachelor's degree of Pharmacy, Vet or Medical Background (Dentistry or Medicine).

1 to 3 years of sales experience liaising with health care professionals.

Previous Respiratory experience is preferred.
