Abu Dhabi, United Arab Emirates and 1 more Job Identification 134 Locations Posting Date 11/15/2022, 11:21 AM Job Schedule Full time About Us We are Yas Holding, a diverse business development and investment group based in Abu Dhabi. Our strategy is to explore, create and realize new investment initiatives in both local and international markets, creating value for both our shareholders and our customers. Yas Holding was established in 2006, and has since launched many investment initiatives which have been transformed into successful, profitable operations in a range of diverse sectors. At YAS Holding, we are looking for people with a commitment to developing themselves and the UAE. We employ talented individuals with endless bright ideas and the resilience and determination to see them turn into reality. Our employment force is composed of a wide variety of talents from all over the world. We recruit professionals from different areas for YAS Holding and our subsidiary companies. For more information, Please visit YAS Holding website <https://www.yasholding.ae/> Your trusted Cloud and Digital Transformation partner. At Digital Okta, we approach Cloud differently! It is our belief that technology should play a secondary role to solving your business needs, and we have done it ourselves by transforming our own mind-set and processes from legacy to modern software-driven environments. Unlike our competition, we are deeply ingrained into the region's technology fabric with local expertise, experience and knowledge of the local cultural and business climate. Our offering integrates a complete Cloud stack with infrastructure you need for computing and storage (IaaS), a platform to create your business applications (PaaS) and Cloud Application Services (SaaS) to run your applications by leveraging Cloud, Mobility, AI, IoT and Big Data to better

transform businesses. We can help companies navigate through the regional regulatory and compliance landscape with ease, and optimize your architecture with an affordable pay as you go service. We work with your IT team to securely migrate your data by leveraging the best technology from the biggest names in the industry, to make sure that your applications are not just secure but highly available to your employees and customers. Our Cloud Technology Portfolio combines the expertise of our people with the technology of some of the biggest cloud providers in the world, to create a truly unique proposition for you and your business. Cloud is a journey, not a destination, and Digital Okta is here to embark along with you on this journey. Page Microsoft Technologies Consultant - YHL Careers Careers loaded
