About the job

We are looking for a specialist Neuro Radiologist to join our team of medical professionals. As a Radiologist, you will use your skills and various medical imaging techniques to produce visual representations of specific areas of the human body in order to diagnose medical problems and monitor treatment.

Requirement

Evaluating patients' medical histories to ensure the various medical imaging procedures will not harm them.

Suggesting alternative medical imaging techniques, when necessary.

Informing patients about the medical imaging process.

Using devices such as computer tomography (CT) scanners and magnetic resonance imaging (MRI) machines.

Performing or directing radiology staff to carry out image-guided, diagnostic procedures.

Working with radiology lab technicians to perfect image quality.
