Job Description

Our client in the Middle East are looking for a Nursing Supervisor

Join the dedicated team and make a difference in patients' lives!

About the Role:

As a Nursing Supervisor, you will lead and manage a nursing unit within the division, ensuring the delivery of excellent patient care and efficient unit operations. This is a 24/7 accountability role, demanding passion, leadership, and a commitment to quality.

Key Responsibilities:

Oversee all aspects of patient care, upholding established guidelines and protocols.

Manage staff performance, providing guidance, training, and support.

Develop and implement unit-level strategic plans, optimising budget and resources.

Foster a collaborative and positive work environment for your team.

Champion quality improvement initiatives and patient safety practices.

Participate in educational activities and stay current with nursing advancements.

What is on offer:

Competitive salary and benefits package

Opportunity to lead and mentor a committed team.

Work in a dynamic and supportive healthcare environment

Make a real impact on the lives of patients and their families.

Qualifications:

Bachelor's degree in nursing (Master's preferred)

Current RN license and relevant certifications

At least 7-9 years of clinical nursing experience (depending on degree)

Proven leadership and management skills

Excellent communication and collaboration abilities

Commitment to quality improvement and patient safety

Ready to join if so, then we encourage you to apply!

Don't miss out on this incredible opportunity to make a lasting impact on the lives of patients in the Middle East. Please submit your CV with your contact details and get booked in for a pre-screen for more information.

Check Your Resume for Match

Upload your resume and our tool will compare it to the requirements for this job like recruiters do.
