

Offshore Rigger

[Apply Now](#)

Company: IIQAFGROUP

Location: Dubai

Category: healthcare-practitioners-and-technical

We are seeking a highly skilled and experienced Offshore Rigger to join our team. As an Offshore Rigger, you will be responsible for assembling and disassembling various equipment, machinery, and materials on offshore platforms. You will work in a dynamic and challenging environment to ensure the safe and efficient operations of the rig.

Responsibilities

Rig up and rig down cranes, hoists, and other lifting equipment as required.

Inspect and maintain rigging gear, tools, and equipment in accordance with safety standards.

Assist in the proper placement, alignment, and rigging of drilling and production equipment.

Perform basic maintenance and repairs on rigging equipment as necessary.

Assist in load testing and certification of rigging gear in compliance with industry standards.

Follow rigging plans and procedures while adhering to project schedules.

Assist in the transportation and storage of materials and equipment.

Requirements

High school diploma or equivalent.

Minimum of 2 years of experience in offshore rigging operations.

Valid offshore survival and medical certificates.

In-depth knowledge of rigging techniques, equipment, and procedures.

Ability to read and interpret rigging plans, drawings, and specifications.

Strong understanding of safety regulations and best practices in the offshore industry.

Excellent physical fitness and ability to work in challenging weather and environmental conditions.
