Open Rank Faculty - Electrical Engineering  
Department Electrical Engineering  
Years of Experience Closing Date  
Description  
Description  
The Department of Electrical Engineering (EE) at Khalifa University of Science and Technology (KU), Abu Dhabi, UAE is prominent academic unit within the College of Engineering and Physical Sciences with a long tradition of excellence in academic teaching and research. EE encompasses cutting-edge fields such as energy, power, control and robotics. EE offers BSc degrees in Electrical Engineering, MSc and PhD programs in ECE. The EE department invites applications for a faculty position at the Assistant/Associate/ Full Professor rank in the area of “Applications of Artificial Intelligence (AI) and Machine Learning (ML) in various fields, such as, robotics, smart grids and/or control”. Candidates with strong research and teaching background in the above-mentioned areas will be considered. The candidates should have experience in teaching courses related to AI, ML and data science and their applications.  
Qualifications  
Assistant Professor: Ph.D. + A minimum of 2 years of experience relevant to the position and proven research potential.  
Associate Professor: Ph.D. + A minimum of 8 years of experience relevant to the position, out of which at least 5 years should be at the level of Assistant Professor.  
Professor: Ph.D. + A minimum of 10 years of experience relevant to the position, out of which at least 5 years should be at the level of Associate Professor
