1- Operations Controller

Job: Full Time

Location: Sharjah, UAE

Description:

To provide, monitor and control effective, efficient and safe flight dispatch services throughout Air Arabia network. Obtains over-flying rights and ensures timeliness and reliability of all scheduled/non-scheduled flights in compliance with Company's standards stipulated in the "Operations Manual" and with GCAA/CAA – CAR, CAAP regulatory requirements applicable to dispatch functions.

Job Responsibilities:

Ensures regular and "On Time" flight operations as per Air Arabia standards and respective regulations.

Partners with Stakeholders to plan and execute flight dispatch: initiation, continuation, diversion, and termination of flights, with focus on safety, punctuality, cost effectiveness in operations as well as accountability for the dispatch reliability on flights and aircrafts.

Consults with Operations, Engineering, and Commercial to plan and execute any aircraft's rotation or changes, publishes and distributes accordingly.

During flights disruptions, ensures to arrive at a cost-effective favorable plan both

operationally and commercially. In Emergency cases, ensures relevant Emergency Response Plan procedures are being applied and adhered to.

Job Requirements:

Bachelor's degree in Science/Math/Aeronautical Engineering/ Industrial Engineering/ Management or equivalent from a recognized university is highly desirable for this role. A higher diploma in a related field (aviation, aeronautical engineering) is acceptable if combined with necessary working experience and a track of record.

Possess a valid "Flight Dispatcher Certificate of License" issued from an approved institute or organization preferably GCAA; alternately, successful completion of "Flight Dispatch" initial course or equivalent.

Basic Airport, security procedures and regulations training is a must.
