Category: other-general

Job Title - Operations Director

Location: Abu Dhabi, United Arab Emirates

Package: up to 50,000 AED per month, plus package

I'm currently supporting a global contract catering organisation, with their search for an Operations Director to support their ever growing project portfolio across the Middle Eastern region. The organisation operate within Oil & Gas/Energy, Marine, & Renewable verticals, and specialise in providing bespoke catering and support services in offshore environments.

In short, the Operations Director shall provide proactive management and leadership to the onshore and offshore Operations teams under their remit including Operations Managers, Ops Support Managers and offshore Camp Boss', whilst managing contract specific components, delivering high quality standards of service to customer and client while ensuring adherence to company HSE, HR and legislative procedures and systems while ensuring budget adherence and financial goals in P&L. The role will also require regular travel / offshore site visits across the Middle East to other countries of operation to provide oversight, audit and client interface where needed.

Responsibilities:Effective management and delivery of catering operations and designated services within budgetary targets.

Provide professional advice, guidance, information and support to management and employees in relation to operational service delivery.

To maintain food and service contract delivery across the business to improve client and

customer satisfaction.

Manage and co-ordinate all mobilization processes in line with client and company procedures and applicable country law.

Support mobilisations and demobilisations components as operational required.... (remaining text unchanged) ...
