We are looking for a dexterous oral surgeon to perform surgeries on patients who require specialist orofacial procedures. Your responsibilities will include consulting with patients, discussing treatment options, treating patients, overseeing aftercare, and coordinating with other specialists, when necessary.

To be successful as an oral surgeon, you must have experience working with various orofacial defects, such as cleft palates and cleft lips, in order to provide effective surgical treatment and care.

### Oral Surgeon Responsibilities:

Consulting with patients and analyzing patient data to determine patient needs and treatment goals

Collaborating with other specialists, such as restorative dentists and orthodontists, to plan treatments

Recording patient care by maintaining detailed notes of appointments with patients, including comments, tests, and/or treatments prescribed, and test results

Administering general and local anesthetics, when necessary

Performing surgical procedures to extract impacted or damaged teeth, place dental

implants, and remove tumors and other abnormal growths of the oral and/or facial regions

Prescribing medication to improve recovery and control pain after procedures

Treating infections of the oral cavity, salivary glands, jaw, face, and neck

Providing emergency treatment of orofacial injuries including facial lacerations, intraoral lacerations, and fractured facial bones

Performing minor cosmetic procedures, such as chin and cheekbone enhancements

Providing support and advice to patients receiving long-term care

Conducting research on defects, diseases, and disorders affecting the oral and/or facial regions

## **Requirements**

Oral Surgeon Requirements:

Bachelor's degree in biology, chemistry, or a related field

Doctor of Medical Dentistry (DMD) degree or a Doctor of Dental Surgery (DDS) degree

Licensed to practice as an Oral Surgeon

Exceptional attention to detail

Outstanding hand-eye coordination and dexterity

Wonderful bedside manner

Excellent communicator who can empathize with patients

Flexible working hours
