Nas Studios is a media company based in Dubai and Singapore that strives to produce compelling videos that are not corporate, slow, or boring. We want to help our clients tell their stories in our unique way because storytelling is in our DNA. With the mission “people first, products second,” Nas Studios aims to create videos that are engaging, inspiring, and impactful, so that we can help our clients reach audiences they couldn’t reach before — all with the help of a stellar team and strategy.
