### Partnerships Manager Jobs In Sharjah | Airalo

#### About the job

Alo! Airalo is the world's first eSIM store that helps people to connect in over 200+ countries and regions across the globe. We are building the next digital service that revolutionizes the telecom industry. We are a traveltech company and an equal-opportunity environment that values and executes diversity, inclusion, and equity. Our team spreads across 20+ countries and six continents. What glues us together is our commitment to changing the way you connect .

#### Requirement

Familiarity with the travel industry

Prior experience in a travel tech/telecom company

2+ years experience in building and/or leading a team

Graduate degree in a related field

Certificates and courses in sales and partnerships

Verbal and written ability in relevant, additional languages

Arabic language proficiency is a plus

#J-18808-Ljbffr
