### Pathology Specialist/Consultant | SearchPlus HR Dubai

Established in 2010, SearchPlus' main business focus is in Executive Search and Selection. We start by having a deep understanding of our clients' industries, business processes and operational requirements. Thereafter, we assist HR managers in fulfilling their requirements for key talent and executives through our comprehensive resume database and own direct searches by short listing and identifying the best possible talent for their organizations. We represent clients from a wide spectrum of industries both local and MNC's. Our successful recruitment tract record has distinguished ourselves.

We are looking for an experienced pathologist to be responsible for performing tests, laboratory work, and pathological research. Your duties will include analyzing bodily fluids and tissue samples to study, diagnose, and treat disease. You will work in various medical settings and carry out research and patient tests in order to assist fellow medical professionals in their diagnoses.
