Pediatric Critical Care Specialist/Consultant Jobs In Abu Dhabi | SearchPlus HR Dubai

About the job

Responsible for the care of all patients admitted under his name and for all the clinical decisions made by other doctors under his supervision. Ability to relate well to others and use interpersonal skills to achieve desired objectives, recognizing the need to represent both the clinical work and the team. In addition to providing high quality patient care (diagnose, treat, manage and admit patients under his name) as delineated by his clinical privileges, the Senior Consultant works closely with department chair and/or section head on management issues (such as service development, funding, budgets, and staffing), on the teaching and training of junior doctors, and on academic and research priorities. In essence, the Senior Consultant is required to have professional clinical competence, leadership and management skills. Research is a key and integral component to the Corporation's Strategic aim to become an Academic Health System. The post holder must be able to contribute on delivering on delivering an integrated strategic vision and planning for Clinical, Research, Education and training which improves the quality of patient care.
