Pediatric ICU Consultant Job in Dubai UAE 2023 | Reem Hospital

For More Top Organization Jobs [Click Here](#) Description:

In this role, you will provide direct patient care to critically ill infants, children, and adolescents. You will collaborate with a multidisciplinary team of specialists to develop and implement individualized care plans. You will also be responsible for educating families on their child's condition and providing emotional support. The ideal candidate will have a minimum of two years of PICU experience and be certified in Pediatric Advanced Life Support (PALS).

Responsibilities: Provide direct patient care to infants, children, and adolescents with life-threatening medical conditions

Monitor patients' vital signs and administer medications as prescribed

Perform diagnostic tests and interpret results

Collaborate with physicians and other members of the healthcare team to develop and implement treatment plans

Educate patients and families about disease process, treatments, and expected outcomes

Serve as a resource to patients' families, providing emotional support during a difficult time

Advocate for patients' rights and best interests

Maintain accurate patient records and documentation

Participate in quality improvement initiatives

Stay up-to-date on current pediatric nursing practices

Serve as a preceptor to new nurses and students

Provide leadership and direction to less experienced staff
Requirements: Registered nurse with valid state license

Bachelor's degree in nursing (BSN)

2+ years of experience in a pediatric ICU setting

Current certification in CPR and BLS

Ability to work well under pressure and multitask

Excellent critical thinking, assessment, and decision-making skills#J-18808-Ljbffr
