You can be as green and new to the industry as they come. Our goal would be to educate and mould you as one of the future leaders of UP, just as we have already done with some of the Trainers who joined us as Juniors on our first Junior Training Scheme in 2012.

We are a meritocracy and only care about your ability to get the job done and your overall potential.

ATTITUDE IS EVERYTHING. Aptitude can be taught but you do need to look hard at yourself before you apply to UP. We are not an easy company to work for because we demand that you deliver your very best performance every single time. This is the UP way and it is a non-negotiable quality that we are looking for.

Alongside the right attitude, to even be considered for one of our coveted positions, we are looking for individuals who can demonstrate:
