## Petroleum Trader/Broker

[Apply Now](#)

Company: Stankevicius Group

Location: united arab emirates

Category: other-general

Are you a highly organized and motivated person who seeks solutions in complex situations? Do you have first-hand experience in petroleum product trading? Are you a smooth communicator who knows how to turn complicated discussion matters into a business deal? Stankevicius International might just have an opening for you as an oil product broker. Key responsibilities will include Research, identify and verify new supply chains of petroleum products including diesel, fuel, crude oil and LNG Connect and establish new partnerships with leading oil companies such as Shell, Saudi Aramco, Vitol, and others. Manage and maintain proper communications at all times between supplying and buying parties. Create executive plans on supply chain procedure and trade deal execution. Our commitment to equal employment opportunity: Stankevicius is an equal opportunity employer. Stankevicius is committed to providing all crew members a working environment that is free from discrimination, prejudice and bias. Stankevicius reaffirms its commitment to equal employment opportunity for all applicants and crew members without regard to race, color, national origin or ancestry, religion, gender, sex, sexual orientation, gender identity or expression, age, disability, marital status, veteran or military status. In addition, Stankevicius prohibits discrimination based on genetic information, as well as any other characteristic protected by federal, state or local law. Applicants with disabilities may be entitled to reasonable accommodation under special review. A reasonable accommodation is a change in the way things are normally done which will ensure an equal employment opportunity without imposing undue hardship on Stankevicius. Please inform [careers@stankeviciusmgm.com](mailto:careers@stankeviciusmgm.com) if you need assistance completing this application or to otherwise participate in the application process.
