The job posting is outdated and position may be filled PHP Developer- In Dubai! No income tax. Great weather and a brilliant standard of life. What's not to love. A UK based company have just opened up an office in Dubai and are looking to build out a brilliant Dev team. You would be working on internal projects which are focussed much more on quality rather than speed. You will be building a large portal application using PHP, Laravel and Vue.js. Because this is a brand new team you will get the opportunity to help build it from the ground up and have a say in dev processes. You will also collaborate with other developers in the team from around the world which include UK and Spain. This company has an incredible reputation in the UK and you could be part of helping to take that international. Ideally, you will be a PHP Developer with strong experience in: PHP, Laravel, Vue.js (Or Angular/React), TDD, SOLID principles. But really it's a great problem-solving attitude we are really looking for. So come be a part of something from the very beginning.
