### Piping Engineer Jobs In Dubai | Worley

#### About the job

We're not just engineers. We're a global team of data scientists, consultants, construction workers and innovators all working to create a better tomorrow. Every day, we help customers in energy, chemicals and resources get one step closer to solving our planet's toughest issues. Climate change. The energy transition. Digital transformation. And how we can deliver a more sustainable world.

RequirementFamiliar with applicable local and international standards and statutory and regulatory specifications and codes (ASME, British, European and International standards and other construction practices.)

Knowledge of piping engineering, piping stress, pipe supports, onshore plant equipment layouts and detailed piping design based on recognised onshore and offshore engineering practices.

Knowledge of piping design as per codes (preparation of Datasheets, specifications, MTOs, plot plant, piping layouts, piping isometrics, piping line classes, line designation tables, specialty items, material selection diagrams)

Experienced in the use of industry software.#J-18808-Ljbfrr
