We are searching for a skilled plastic surgeon to join our surgical team. As a plastic surgeon, your responsibilities will include consulting with patients prior to surgery, advising them on the best surgical options and associated risks, and performing surgeries and patient follow-ups. You should be able to communicate with patients of varying ages, work long hours, and remain professional at all times.

Responsibilities: Meeting with patients, taking their histories, and examining their files in order to provide them with the best surgical options.

Outlining all the risks and benefits associated with the surgery prior to the procedure.

Performing consultations with patients who suffer from birth defects, injuries, burn wounds, or those who want to enhance their physical appearance.

Preparing patients for surgical and non-surgical procedures.

Prescribing medication like painkillers, antibiotics, and providing aftercare advice to patients. Requirements: A degree in medicine.

A completed residency.

Additional courses and training in cosmetic and reconstructive surgery.

Years of practical experience in surgery. #J-18808-Ljbffr
