

Plastic Surgeon

[Apply Now](#)

Company: ARMADA HOSPITAL

Location: dubai

Category: other-general

A plastic surgeon is a surgeon sub-specialist providing consultations & attending to patients with Plastic surgery. They provide pre-operative care, including diagnosis, operative care of all major and minor procedures in the field of plastic surgery, and post-operative care. They maintain efficient and effective care of their patients as part of an integrated program of curative and preventive medical services.

The Plastic Surgeon is responsible for attending to ambulatory and hospitalized patients of any age group, including cases of all degrees of complexity, which are within their competence and expertise. Surgeons work to meet established medical, ethical, and legal rules in the field of plastic surgery by observing practices and procedures as required.

Plastic surgery provides day-to-day work including management and evaluation of the quality of patient care within their clinical privileges approved by the Credentials and Privileges Committee.

Duties and responsibilities:

Examine patients and assess any deformity or illness

Provide surgical expertise in the field of plastic surgery on appropriate reconstructive, cosmetic and corrective medical treatments

Perform surgeries on patients who want to augment and/or beautify their body parts

Perform various non-invasive treatments

Make sure that surgical equipment is sterilized

Follow up with patients and provide appropriate medical care

Explain the risks and dangers of surgical procedures to patients

Assess patients' psychological health

Maintain confidentiality of all patient information according to federal guidelines and regulations

Working hours are assigned to meet the operational needs of the assigned area

Job Type: Full Time / Part-Time

Qualifications:

MBBS / Master Degree in Surgery

DHA Eligibility Letter/ DHA License (Preferred)

Extensive experience with cosmetic surgery including High-definition liposuction, Vaser, Renuvion and Bodytite

Fellowship trained in the face or aesthetic surgery

Minimum 5 years experience (Preferred)

Schedule:

48 Hours a Week

6 Days & 1 Rest Day

Benefits:

Good Monthly Salary

Incentives

#J-18808-Ljbffr
