

Plumbing Supervisor

[Apply Now](#)

Company: LEO INTERNATIONAL HRC

Location: dubai

Category: other-general

Oversee and manage plumbing projects from start to finish, ensuring that all work is completed on time and within budget. Coordinate with the project manager to develop project schedules and allocate resources effectively. Supervise and train plumbing staff, providing guidance and support to ensure high-quality workmanship. Review project plans and specifications, ensuring compliance with building codes and regulations. Order and track materials and equipment, ensuring that all necessary supplies are available for each job. Conduct site inspections to assess progress, identify any issues or potential problems, and implement solutions. Maintain accurate records of project activities, including time, materials, and costs. Collaborate with other tradespeople and contractors to ensure seamless coordination of work. Ensure a safe working environment, following all health and safety regulations and procedures. Communicate effectively with clients, addressing any concerns or questions and providing regular updates on project progress.
