Post Doctoral Jobs In Abu Dhabi | Khalifa University

About the job

Khalifa University is ranked 181st in the QS World University Rankings 2023, and the top University in the UAE, with a range of research and academic programs designed to address the entire range of strategic, scientific and industrial challenges facing our rapidly evolving world. Its world-class faculty and state-of-the-art research facilities provide an unparalleled learning experience to students from the UAE and around the world. Our research and academic activities cover a broad range of disciplines in engineering, science and medicine through our three colleges.

Requirement

Experience writing scientific or review papers;

- A willingness to contribute to a collaborative and supportive team culture
- Excellent English language communication skills (verbal and written)
- Ability to work both independently and as part of a team
- The proven ability to work on multiple tasks with competing demands and deadlines.
- Ability to train and mentor students and support fellow researchers
- Highly developed reasoning and problem-solving skills

Desired Criteria

- PhD gained from a top 200 QS or THE ranked University

#J-18808-Ljbffr
