Postdoctoral Fellow | Center for Entrepreneurship, Innovation and Sustainable Development

[Apply Now](#)

Company: American University of Sharjah

Location: Sharjah

Category: healthcare-practitioners-and-technical

The Center for Entrepreneurship, Innovation and Sustainable Development (CEISD), an interdisciplinary research center at the School of Business Administration of American University of Sharjah, is introducing a postdoctoral fellowship, which aims to attract qualified researchers to contribute to advancing knowledge in innovation for sustainable development.

About The Fellowship

This fellowship program is designed to offer a unique opportunity for a recent PhD graduate to contribute to interdisciplinary research on innovative sustainability solutions. The selected postdoctoral fellow will be responsible for designing and conducting research, analyzing data and publishing results in high-impact academic journals. The postdoctoral fellow will also be responsible for developing a research agenda in collaboration with faculty fellows from one or more of the following research clusters:

Entrepreneurial Skills, Management and Growth Strategies

Sustainable Food Systems

Environmental Sustainability

Social Entrepreneurship and Community-driven Social Change

The Social Impact of Entrepreneurship and Sustainable Growth

Technology Production, Innovation and Sustainable Development

Responsible Consumption/Production and the Circular Economy in the Fashion and Tourism Industries

Demography, Human Capital and Talent Acquisition

Qualifications And Skills Required

PhD in economics or a business-related discipline from an accredited university (earned within the last five years)

Fulfillment of all doctoral requirements before the fellowship appointment

Proven ability to conduct high-quality research in one or more of the specified clusters

Ability to work independently and collaboratively

Excellent oral and written English communication skills

Program Highlights

Interdisciplinary Team: Join a vibrant and diverse community of faculty fellows advancing knowledge on innovative sustainability solutions.

Duration: A one-year appointment starting on August 11, 2024 through May 30, 2025 with the potential for a second year.

Compensation and Benefits: Competitive salary, medical insurance, on-campus housing for single individuals (subject to availability) and airline ticket.

How To Apply

Interested and qualified applicants should submit **as a single PDF file** [HIDDEN TEXT] the following:

Cover letter outlining research interests, strengths, achievements and suitability for the position

Curriculum Vitae with a full list of publications

Research proposal (up to two pages)

Contact details of two references

Deadline

The position will remain open until filled and only shortlisted candidates will be contacted.
