Description

Primary Teacher | Teach in Ajman | UK Curriculum School

I'm taking qualified lower and upper primary teachers to join my client in the United Arab Emirates. My client is located in the emirate of Ajman and recently opened its doors to cater for KG to primary students.

The school delivers a do UK curriculum and therefore requires teachers that are well versed in the EYFS and the UK primary curriculum. Ajman is located about 3 minutes drive from Dubai and is a smaller and cheaper place to live, therefore increasing your scope to save money

It is a very small school at this stage and growing and therefore requires you to be flexible and adaptable to the working culture in the UAE. This is a good school to get started working in the UAE as it is slowly expanding with more students joining.
