

Printing Press Executive

[Apply Now](#)

Company: IIQAFGROUP

Location: Dubai

Category: healthcare-practitioners-and-technical

As a Printing Press Executive, you will be responsible for managing and overseeing all aspects of our printing press operations. This is a dynamic and challenging role that requires a strong understanding of the printing industry, excellent organizational and leadership skills, and a deep commitment to producing high-quality materials.

Responsibilities

Oversee the day-to-day operations of the printing press, including scheduling, budgeting, and production planning

Hire, train, and manage a team of printing press operators and technicians

Ensure the printing press is running efficiently and troubleshoot any technical issues that may arise

Maintain inventory levels of printing materials and supplies

Monitor and maintain quality control standards to ensure all materials produced meet the highest standards of excellence

Collaborate with design and graphics teams to ensure all materials are printed accurately and according to specifications

Develop and maintain relationships with vendors and suppliers to ensure the best

pricing and timely delivery of materials

Keep up-to-date with industry trends and advancements in printing technology to continuously improve our processes and stay ahead of the competition

Qualifications

Bachelor's degree in Graphic Design, Printing Management, or a related field

Minimum of 1-2 years of experience in a managerial or supervisory role within a printing press environment

Strong knowledge of printing processes, equipment, and technology

Excellent leadership and communication skills

Proven ability to manage a team and prioritize workloads

Ability to work in a fast-paced environment and handle multiple project timelines

Attention to detail and a commitment to producing high-quality materials

Proficient in Microsoft Office and Adobe Creative Suite
