Procurement Business Planning & Performance Manager | Solutions Plus UAE Abu Dhabi

MDC BMS was established in 2014 to support the Mubadala Group's continued growth as a global organization. Encompassing finance, human resources, IT, procurement, office support and facility management functions, MDC BMS enables Group companies to focus on their core business activities and streamlines the efficiency of operations across the wider organization. The establishment of MDC BMS in 2014 consolidated the expertise and experience of professionals in multiple business services areas, creating a stand-alone entity capable of delivering optimized services across the Group. Working from a tiered service catalogue, MDC BMS is able to adapt its offering to fit the needs of Group companies while adhering to, and sharing, best practices.

Solutions+ is looking for Procurement Business Planning & Performance Manager to manage internal and external projects in the form of lead role in planning, executing, monitoring, controlling, and closing projects.

Procurement Business Planning & Performance Manager | Solutions Plus UAE Abu Dhabi |
