Company: InterContinental Hotels

Location: fujairah

Category: other-general

1- Procurement Manager

Job: Full Time

Location: Fujairah, UAE

Job Responsibilities:

Source the best possible, relevant options for purchasing from reputable vendors and markets as required.

You will devise/ approve/ implement operational manuals, brand service standards, and job descriptions for your own team.

Make and verify important sources and contacts in the market for long-term ease of procurement.

Translate operating forecasts into material requirements plans and thereby determine standard stock and re-order levels with Department Heads.

Participate in negotiations for service contracts and identify and develop reliable sources of supply.

Identify and organize adequate storage for all perpetual inventory items and implement corporate policy, products, and initiatives in order to maximize cost-effectiveness.

Protect inventories from waste, spoilage, and theft.
