Procurement Officer Jobs in Dubai 2022 | Seobine Careers

Description:

A Procurement & Inside Sales Engineer needs to have high-level organization and record-keeping skills to maintain a consistent flow of equipment to the company's projects and customers, and make sure vendors are fulfilling the terms of their contracts.

Responsibilities:

Analyze technical data and specifications to determine the equipment needed for projects

Evaluate equipment suppliers and negotiate purchasing agreements for equipment

Devise, implement and oversee procurement strategies to meet cost savings targets

## Requirements:

This position requires a bachelor's degree in engineering, supply chain management, or business administration.

Able to analyze technical documents and specifications to understand critical requirements

High-level verbal and written communication skills
