### Product Manager | Grafana Labs Abu Dhabi

Grafana Labs is the company behind Grafana, Loki, Mimir and Tempo, the leading open source software for visualizing operational data. Grafana Labs helps users get the most out of Grafana, enabling them to take control of their unified monitoring and avoid vendor lock in and the spiraling costs of closed solutions.

Product Managers are the bridge that connect R&D to our go-to-market team and customers. We are facilitators who ensure the free flow of information across these teams and are expected to be technically proficient when representing our products to our customers.
