### Product Manager Jobs In Abu Dhabi | ERC International Recruitment

#### About the job

We help companies hire, build and manage global teams. We are trusted by the world's leading companies – from Fortune 500s and larger enterprises (Walmart, Target, Nike, Pepsi, etc) to industry leaders (Airbnb, Twitter, Uber) and some of the world's fastest-growing startups from the portfolios of investors such as Accel, Sequoia and Techstars. Our suite of proprietary AI-enabled tools and products provides businesses with an end-to-end platform to build their global teams. This includes:

#### Requirement

Owning a Product / Sub-product from the Suite end-to-end – Driving the strategy and user value proposition, competitor research, identification of market gaps, determination and prioritization of features

Planning and executing the Product Roadmap for the specific product owned by you in consultation with key internal and external stakeholders

Work closely with the Engineering and UX teams to ensure predictable, efficient and effective delivery of features that drive company objectives measurably

Evangelise and communicate the product plan both internally and externally

Manage, Coach and Mentor other product managers
