Trust Wallet is a decentralized, multi-chain mobile wallet loved by millions for its speed, security, and ease of use. Trust Wallet provides a secure wallet to send, receive, stake, and store more than one million cryptocurrencies on 68 blockchains, including Ethereum and EVM chains, Solana, Polkadot, etc. – making it the world’s most inclusive, chain-agnostic decentralized wallet. We are looking for someone who will have the vision to design the gateway experience for web3 world and scale it to hundreds of millions of users.
