

United Arab Emirates Jobs Expertini®

Program / Project Manager

Apply Now

Company: Vertiv

Location: United Arab Emirates

Category: healthcare-practitioners-and-technical

Who are we?

At Vertiv, we build products that keep critical technologies running 24/7. We are proud we were the first to protect mainframes with precision cooling systems. We were the first to introduce an integrated enclosure system to distributed networks. We help some of the largest names in the industry bring new capacity online faster and at a lower cost when search and social media increase demand for storage and computing. Our portfolio spans power, thermal and infrastructure management products, software and solutions, and is complemented by a network of nearly 250 service centers worldwide.

We are now looking for a **Program/Project Manager – Busbar LOB** to join our team in **Burnfoot, Co. Donegal, Ireland!**

KEY ROLE ACCOUNTABILITIES:

Facilitate cross-functional planning and project execution, ensuring the project is delivered on time, within budget, and meets the agreed upon scope.

Monitor team schedules and ensure coordination of activities on the critical path.

Provide executive-level program updates to senior management and executive sponsors.

Develop reporting and tracking programs to assure the project is on target for schedule and cost.

Identify key issues and drive decisions to ensure that the project does not slip.

Identify key risks and prepare contingency plans.

Ensure the projects are following the NPDi, New Product Develop & Introduction process.

Assist project team members as required.

Identify and lead continuous improvement projects.

QUALIFICATIONS

Bachelor's degree in engineering, or other technical degree. Master of Business Administration is a plus.

Proven ability to lead others to achieve common goals and to accomplish tasks.

Demonstrated competence in problem-solving, data analysis, project planning.

Experience leading cross functional meetings and presenting to small groups, both in person and via conference call.

Ability to quickly develop cross functional relationships to achieve business objectives.

Process and results-oriented with proven ability to accomplish goals.

Experience with 3-phase power distribution or Busbar products is preferred.

Proficient with Microsoft Office 365 applications, Microsoft Project, & Smartsheet.

Strong communication skills to effectively communicate at all levels of the organization.

If **YOU** are the person we are looking for, feel free to apply and let's start drafting your future career in a healthy and growing environment.
