### Project Manager Jobs In Abu Dhabi | Alchemy Business Services Ltd

#### Description

We are looking for a project manager to be responsible for handling our company's ongoing projects. You will be working closely with your team members to ensure that all project requirements, deadlines, and schedules are on track. Responsibilities include submitting project deliverables, preparing status reports, and establishing effective project communication plans as well as the proper execution of said plans.

#### Requirements:

A bachelor's degree or master's degree in a related field.

Project Management Professional (PMP) certification is a plus.

Proven experience in project management.

Ability to lead project teams of various sizes and see them through to completion.

Strong understanding of formal project management methodologies.

Experience as a construction project manager, IT project manager, or ERP project manager.

Able to complete projects in a timely manner.

Understanding of ERP implementation.

Experience overseeing a construction project.

Budget management experience.
