## Project Manager Jobs In Abu Dhabi | G42

### About the job

Looking for a dynamic, self-motivated Project Manager to serve as the primary business contact between Presight AI and its customers—supporting all initiatives and customer requests through astute account management, efficient projects & programs management and in-depth product knowledge.

### Requirement

Founded in 2020, the company is headquartered in Abu Dhabi, UAE. Presight has developed transformative products/solutions which enable its customers to gain a stark competitive advantage by integrating AI, deep Analytics and ML in their digital transformation. The team of over +190 staff includes domain specialists, operations experts, data scientists, solution architects, software developers, engineers and data analysts from different countries – all committed to delivering impact.
