

## Project Manager - SharePoint

[Apply Now](#)

Company: Michael Page International (UAE)

Location: abu dhabi

Category: other-general

About Our Client A dynamic and innovative organisation going through ambitious and exciting digital transformation program of immense proportion.

**Job Description**

**Project Planning and Execution:** Collaborate with stakeholders to define project scope, objectives, and deliverables.

**SharePoint Expertise:** Leverage your extensive knowledge of SharePoint to guide project teams. Understand SharePoint architecture, features, and capabilities. Provide recommendations for SharePoint customization and optimization: Validate SharePoint configurations and functionality. Lead cross-functional teams, including developers, administrators, and business analysts. Monitor progress, resolve issues, and mitigate risks: Facilitate user adoption of SharePoint solutions.

**The Successful Applicant**

A minimum of 12 years of experience in IT project management

A focus on planning, executing and delivering SharePoint related projects

Bachelor's degree in a relevant field (e.g., Computer Science, Information Systems).

Excellent communication and interpersonal skills, with the ability to translate technical information into business terms for non-technical stakeholders and present to executive level

Strong analytical, problem-solving and organisational skills

**What's on Offer**

Competitive tax-free salary

Initial 1 or 2 year contract with opportunities for extension and potential alternative opportunities within the wider business in the future
