Public Health Advisor | Indian Health Service Abu Dhabi

The Indian Health Service, an agency within the US Department of Health and Human Services, works to ensure that all American Indian and Alaska Native people receive comprehensive health care services and all Indian health facilities are staffed with well-trained, compassionate, committed health care professionals.

The position is located within the Division of Epidemiology and Disease Prevention (DEDP), Office of Public Health Support (OPHS), Indian Health Service (IHS). The incumbent reports to the Chief, Capacity Building and Sustainment Branch (CBSB), and serves as the program lead for public health capacity building and sustainment initiatives supported through the Tribal Epidemiology Center and/or Native Public Health Resilience (NPHR) grants programs.
