Purchaser

[Apply Now](#)

Company: ParkerConnect

Location: abu dhabi

Category: other-general

Key Responsibilities: Develop and implement a procurement strategy to support the factory's marble production and fitout project requirements. Collaborate with project managers, engineers, and other relevant departments to identify procurement needs and timelines. Identify, evaluate, and select reliable suppliers, subcontractors, and service providers for marble, tools, and fitout materials. Negotiate contracts and agreements with vendors, ensuring favorable terms and competitive pricing.
