Responsibilities

As the name suggests, we are international in our composition and outlook. The purpose is to have a broad cross-cultural perspective, communicating knowledge and understanding from as many different angles as possible.

Apply Also: Security Guard Jobs in UAE | G4S Careers

Requirement

Established expertise in radiology means the right technology and top-of-class professional medical know-how. Supported by a robust communications network that offers round-the-clock access to images and reports, the International Radiology Centre offers the most advanced diagnostic imaging equipment in the region.
