Quality Lead | Foundever Abu Dhabi

Foundever is a global leader in the customer experience (CX) industry. With 170,000 associates across the globe, we're the team behind the best experiences for +750 of the world's leading and digital-first brands. Our innovative CX solutions, technology and expertise are designed to support operational needs for our clients and deliver a seamless experience to customers in the moments that matter.

In this role, you will ensure the design, development, implementation and measurement of quality programs, processes and initiatives; the standardization and alignment of these activities across EMEA and the improvement of quality processes across the Project River locations to support the strategic global account in achieving PEAK performance.
