Company: Black Pearl Consult

Location: abu dhabi

Category: other-general

The job posting is outdated and position may be filled Our client, a premier medical facility, is currently looking for a Radiographer (Junior and Senior) with experience in Xray and MRI, to be based in Abu Dhabi. This position requires basic knowledge in diagnostic imaging and involves receiving patients at the medical imaging department, registering and preparing them and then initiating the process of capturing the diagnostic images by using different radiological techniques like X-ray, Ultrasound, CT/ MRI. Other responsibilities include: Use evidence-based practice and clinical guidelines to produce high quality images for a range of imaging procedures. Be aware of safeguarding policies, both local and national, and implement such policies should it become necessary. Assess clinical conditions, prioritise health problems, including initiation of effective emergency care. Ensure that patients are prepared for their procedures and have been given all the relevant information required. Manage own client caseload including the interpretation of test results with referral to physicians as necessary. Provide emergency care to patients as necessary and attend annual resuscitation training Requirements To be considered, you need to meet the following requirements: Bachelor degree in Radiography, Radiology Technology or Medical/Diagnostic Imaging program Basic knowledge about KPI and FANR audit With valid license from home country At least 2-4 years of experience in the UAE, in a day surgery centre / large hospital within Outpatient Department Willing to work in Abu Dhabi Willing to work for 48 hours in one week Willing to do on-calls / Overtime, if highly needed Arabic speaker / knows how to speak basic Arabic language is preferred To be considered, you need to meet the following requirements: Bachelor degree in Radiography, Radiology Technology or Medical/Diagnostic
