Registered Nurse – Pediatric Ward Jobs in Abu Dhabi

Description:

Responsible for rendering professional nursing care to patients within an assigned unit of the hospital, ensuring that nursing care is an integral part of the total patient care plan, working in conjunction with the medical staff and according to policies and procedures of the hospital. This will be in keeping with the accepted principles of professional nursing practice.

Job Responsibilities:

Maintains an effective rapport with patients, visitors, physicians, and other member of the hospital team.

Promotes confidentiality and uses complete discretion when discussing information.

Works collaboratively with other staff members to provide continuous service to the organisation.

Ability to express self in the areas of communication verbal, written and non-verbal.

Job Requirements:

Contributes to product evaluation at unit levels and participates in trials related to new product lines as appropriate.

Acts as a preceptor to less experienced staff as required.

Patient and family teaching as required.

Actively participates in organisational change in a constructive manner.
