Research Analyst Irwin & Dow Careers - Dubai, UAE Posted In 5/6/2013 Apply For Job Applicants 41 Views 634
Job Description Our client is one of the world's most respected organizations within the professional services sector, operating across 40 countries. Their clients range from the largest corporations to emerging growth companies, government and regulatory bodies, and major educational and cultural institutions. They work at the highest levels of leadership to create tangible and enduring business impact. They are a 'firm of choice' to Fortune 500 companies shaping their senior level management. Working from highly prestigious offices, the Research Analyst works closely with consultants and research colleagues providing high quality, thorough research in response to specific assignments and business development opportunities. Knowledge generation and management is a key requirement of the role; searching both internal and external resources and proactively identifying, analysing and synthesizing information. You will help develop the creative processes and strategies to extract, capture and share relevant knowledge from within and outside of the organisation and manage it appropriately. Additionally the role highlights trends and potential business development opportunities and supports the production of targeted marketing presentations. Incorporated into this, will be insight into industry trends and monitoring core client activity in the market. Job Category Accounting & Audit Job Requirements Experience Min: 2 Years Career Level Junior Job Type Full Time Vacancies 2 Open Positions Salary Negotiable Gender Any Degree Level Bachelor's degree Faculty / Institute Any Major Any Age Any Nationality Any Residence Location Any Languages Arabic - Very

Good French - Very Good Own a CarAny Have Driving LicenseAnyJob SkillsVery strong written and oral communication skills are vital as the role actively contributes to the start-up phase of projects and the Research Analyst will assist the consultant in developing the strategy of the assignment and the direction it will subsequently take. Document production in various formats is required, to a very high standard with meticulous attention to detail.Candidates will be University graduates with at least two years of relevant experience;a Post-Graduate degree would be advantageous. Prior experience in market research, financial research or consulting would be beneficial coupled with knowledge in specific practice areas, such as Industry, Banking & Finance, Healthcare, Consumer Products and IT & Telecoms.Excellent IT ability in using online databases and search engines is essential, with a strong 'hands on' approach and ability to multi task. Additional languages such as Arabic and/or French would be desirable. About The CompanyIrwin & Dow was established by two highly experienced recruitment professionals, Tracey Irwin and Jocelyn Dow. We provide a refreshing approach by working in close partnership with clients and candidates within the Business Support, Secretarial, HR & Finance sectors.Good staff are key to every business. We recognise and appreciate this, having over thirty years combined recruitment and executive search experience within the region.Our main aim is to provide a specialist service to clients preferring to work with a bespoke consultancy.Our values of discretion and diplomacy are paramount and our ultimate goal is to become a partner of choice for all our clients and candidates.
