Research Executive

[Apply Now](#)

Company: Nielsen Consumer LLC

Location: sharjah

Category: other-general

Analyzing past operations' results and performing variance analyses. Identifying and analyzing trends and forecasts and recommending improvements to the business processes. Researching market trends, conducting surveys, analyzing data from competitors, and analyzing the business's operations, expenditures, and customer retention to identify patterns of potential issues or improvements. Using data analysis and interpretations to guide the decision-making of the business. Using operations data to develop pricing models and identify areas for improvement. Using statistical, economic, and data modeling techniques and tools. Organizing and analyzing data, creating charts and graphs, and presenting your findings to the leadership team. Providing recommendations to improve future business operations. Organizing and storing data for future research projects. Testing processes, policies, and protocols for efficiency and improvements. Disclaimer: Drjobs.ae is only a platform that connects job seekers and employers. Applicants are advised to conduct their own independent research into the credentials of the prospective employer. We always make certain that our clients do not endorse any request for money payments, thus we advise against sharing any personal or bank-related information with any third party. If you suspect fraud or malpractice, please contact us via contact us page. Our goal is to make hiring as easy as possible. We find the right talent for every company, ensuring that each candidate finds a job they enjoy. Dr.Job FZ LLC provides 360-degree AI-powered recruiting and job search solutions. If you are looking for a job and haven't found your chance yet, you can upload your profile on our website and find thousands of opportunities globally! Our platform gives you the flexibility you need to thrive in today's market by allowing you to

apply for all different kinds of jobs, whether they are full- or part-time, remote or on-site.
