This Global law firm continues to be at the front of the pack and as a result this team rarely recruits. The only reason they are now looking is due to the volume of recent work. As a result a rare opportunity now exists for a 6-8 years PQE Lawyer who is passionate about insolvency. The team's client base includes accountancy practices, lenders, liquidators, receivers and administrators as well as other stake-holders such as pensions trustees, charity trustees, equity investors and local authorities. The group has also built up an excellent reputation and niche practice in cross-border insolvencies. You will be involved in a wide range of formal insolvency and restructuring work for a range of clients including lenders, accountants, pension trustees, equity holders and corporates encountering difficulties. Visit the IDEX Consulting Ltd website for further opportunities. Please note that the information supplied may be retained for up to 10 years for use in connection with future vacancies.
